

## Privately Funded Home Care Pricing Information

At AnglicareSA we support you to live a healthy, active and fulfilling life at home.

AnglicareSA offer a large range of services outside of Government funded programs. You can tailor your own Privately Funded Home Care Services.

Home Care Services provide flexible support to meet your individual needs and you can pay as you require them. You can opt for regular and ongoing support or a once-off service.

A regular and ongoing suite of services may be what you need for ease and peace of mind knowing you can always add and subtract services as your life changes. Or you may be looking for short term support, respite for a carer, support after an operation or that once-off spring clean to get life back on track. The choice is yours.
